

# AGENCY COMPLIANCE WITH LICENSING TIME FRAMES

July 1, 2004 through June 30, 2005

Submitted by the Governor's Regulatory Review Council under A.R.S. § 41-1078(B)

G. Alex Turner, Chairman

## Introduction

A.R.S. § 41-1072 *et seq.* required all agencies that issue licenses to have in place no later than December 31, 1998, final rules establishing overall time frames during which the agencies will either grant or deny each type of license. A.R.S. § 41-1078 requires agencies to report to the Governor's Regulatory Review Council by September 1 of each year their compliance level with their overall time frames. The following table summarizes the data provided by the agencies regarding time-frame compliance for the 2005 fiscal year.

Under A.R.S. § 41-1073(E)(2), an agency is not required to have a time-frame rule for a license that is issued within seven days after receipt of an application. The following agencies certified that they issued some or all of their licenses under this exemption: Department of Administration, Department of Agriculture, Barber Board, Department of Environmental Quality, Department of Liquor Licenses and Control, Oil and Gas Commission, and Department of Transportation.

### **July 1, 2004 through June 30, 2005 License Time Frames Compliance Level by Agency**

Agency	# of license time frames <sup>1</sup>	# of apps. rec'd <sup>2</sup>	# issued within time frame	# denied within time frame	# acted upon outside time frame	\$ amt. of fees returned	\$ amt. of fees excused	\$ amt. of penalties paid

<sup>1</sup> The number of license time frames on which an agency reported may be less than the number of license time frames for which the agency made rules because some agencies combined time frames in the report.

<sup>2</sup> The number of applications received by an agency may not equal the number of licenses issued and denied within the time frame plus the number acted on outside the time frame because applications may have been withdrawn or still in the process of being reviewed.
